Skills

Programming Language	Java, Html, Css, Javascript, Reactjs
Technical Skills	Sql, Dsa, Networking, Dbms, Oops
Soft Skills	Communication, Teamwork, Problem-Solving, Time-Management

Internship

Web Development Intern(Prodigy InfoTech)   September 2024

- Created and maintained content for company website, including Html, Css and JavaScript.
- Communicated with other team members regarding project status and issues as they arise.
- This internship provides me with practical, hands-on experience in Web development within a supportive and dynamic environment, allowing me to expand my skills and knowledge in the field.

Projects

Calcultor Website(html, css, javascript)

- Using a calculator can save time, increase accuracy, improve efficiency, and simplify complex calculations.
- Most calculators will add, subtract, multiply, and divide. Some also do square roots, and more complex calculators can help with calculus and draw function graphs. Calculators are found everywhere.

Activities and Achievements

- Participated in events and workshops to gain knowledge about industry and technologies.
- Participated in competition like Ace-hack, Hackathon, Code Battle, etc.
- Won 3rd prize in Mentor Eduserv, Patna Competition exam in 2017

Certificates

Introduction to programming in Java (NPTEL)	Jan-April 2024
Frontend for Java Full Stack Development (Coursera)	August 2024
Data Base Management System(NPTEL)	July-Sep 2023

Declaration

I hereby state that all the information noted above is accurate to the best of my beliefs and I take full responsibility for the correctness of the information.
